

**The only official car cleaning service of the Atlantic City Classic Car Show & Auction**

ecoShine uses an advanced system to safely clean, polish and protect your vehicle. We use the latest advanced nanotechnology polymers to have your vehicle looking its best.

The Atlantic City Classic Car Show & Auction organizers worked with ecoShine to offer special pricing and packages for all registered entrants in the show and auction. See [www.ecoShineMD.com](http://www.ecoShineMD.com) for picture galleries of previous shows.

ecoShine looks forward to helping you keep your vehicles looking great during the show. Call in advance to set up your appointment.

**gold ecoShine service:** The perfect service if your car just needs some work to remove surface grime and deposits. We will clean, polish & protect the exterior, dress the tires, and make the exterior windows sparkle...**\$45**

**platinum ecoShine service:** Everything in the gold with the addition of cleaning the interior including the dash, center console, instrument panel, door trims, windows and follow with a vac of the carpets and floor mats. We top it off with our showroom finish application...**\$90**

*\*\*we also have some a la carte services:*

**clay bar treatment:** Fallout is the enemy of every car finish. It's in the air we breathe, it's on the roads we drive, and it attaches to your car's paint. The perfect solution for crystal clear, super smooth paint. Give your car a facial. **Prices start at...\$75**

**showroom finish:** Leaves the outside of the car looking like a mirror. Brings out the color and enhances the overall look of the vehicle. Removes smudges from fingerprints, ventilation dust and other loose contaminants. See your car in Hi-Def! **Prices start at...\$20**

**engine bay detail:** We enhance the overall look of the engine compartment, this is not a degrease; however this product leaves the engine looking fantastic **Prices start at...\$30**
